2016年刘延东副总理在国务院十三五规划讲话中引用QS排名证明中国大学得到国际认可。2017年香港特首林郑月娥宣誓就职，当着习近平主席，引用2个QS排名“5所大学世界百强，香港大学牙医学院世界第一”，证明回归中国20年教育成就。在最新一轮教育部世界一流大学和一流学科评选方案中，进入QS世界学科排名50强是一个重要参考指标，影响了中国政府对教育经费的分配。

Dr. Christina Yan Zhang  
China Director  
QS Intelligence Unit

Christina has a BA(Hons)in English, MA in Media Studies(Distinction) and PhD in Civil Engineering(full scholarship).

As an independent candidate, Christina was elected as the first Chinese to National Union of Students UK since 1922 its foundation. Between 2010-2012, she was elected to represent the interest of 1 million international and EU students who study at UK Higher and Further Education, who contribute 25bn GBP a year to the UK economy.

She has been invited to sit on more than 20 international committees, working closely with World Bank, UNESCO, Council for Education in the Commonwealth, European Commission, US-UK Fulbright Commission, and UK Government, including The Home Office, Department for Business, Innovation & Skills, Department for International Development, The Foreign & Commonwealth Office, and HM Treasury, Universities UK etc.

Christina leads QS' China strategy, who has the most visited universities and business school website in the world, known as the compiler of one of the top 3 most authoritative world universities rankings. Through long term collaboration with the world's top 4000

universities, QS has been able to collect a huge amount of big data on the global higher education. Its research and publications have become an important reference for governments around the world to decide their future policies on education, and therefore has been widely recognized as an authoritative education evaluation organization in the world.

In January 2016, China's Vice Premier Madam Liu Yandong used QS World University Ranking as the only international ranking in her major speech outline the future 5 years development of Chinese Universities in the State Council to highlight that the achievements of Chinese Universities have already been recognized internationally. In July 2017, HK CEO Carrie Lam Cheng Yuet-ngor quoted 2 QS rankings in her inauguration speech, to highlight 20 years education achievement of HK since its handover to China, in front of China President Xi Jinping and other VIPs, live broadcasted globally. In the most recent selection of the Double First Class projects initiated by the Ministry of Education, those subjects who are included in the Global 50 in the QS World University Ranking by Subjects are one of the key indicators. Therefore, the QS rankings have influenced how the Chinese government allocates funding to universities.
